TWEEDLEDUM *and* TWEEDLEDEE

Remember 1930 when R. B. BENNETT promised to banish unemployment? This time it is KING promising Liberal policies will save you.

Bennett, himself a millionaire capitalist, honestly believed the depression would soon end so that he could keep his wild promises.

Both KING and BENNETT are defenders of the dying Capitalistic system! Both say they believe in it. Both are rich men.

Now banks and all important industries are controlled by millionaires to make profits for themselves, not for your benefit. That is why the small business man, the farmer, the worker, have hard times while rich men grow richer.

This is called the capitalist system. It should be called the profiteering system!

Both King and Bennett promise to "reform" it. But they also promise that profit-making will remain!

So long as it is operated for profits it will not be operated for your benefit!

DON'T BE FOOLED AGAIN!

Liberal Quackery Same as Tories'

**King and Bennett BOTH defend
Big Shot Tyranny!**
